**Petition To Revive Unintentionally Abandoned Application Under 37
CFR 1.137(C) For Failure To Notify The Office Of An International
and/or Foreign Filing.**

Dear Sir:

Applicant(s) petition(s) to revive this application, which was unintentionally abandoned, due to a failure to notify the Office of an international and/or foreign filing.

A request that this application not be published under 35 USC 122(b) (nonpublication request) was included with the above-identified application upon filing pursuant to 35 USC 122(b)(2)(B)(i). However, due to a change of mind, the application was subsequently foreign filed in the PCT and in Taiwan.

A rescission of the publication request and a notice of foreign or international filing were not provided pursuant to 35 USC 122(b)(2)(B)(iii) within 45 days of said PCT and Taiwan filing through an unintentional and inadvertent error.

If any additional petition is required to revive the case, please consider this communication a petition or petitions therefore. Please charge any required fees to Deposit Account 50-2284 (Order No. LMRX-P023).

Respectfully submitted,
/Joseph A. Nguyen/
